Target participants	This half day course is designed to increase knowledge, confidence and skills in being able to talk to perpetrators of DV in a safe, motivating and effective way in order to assess suitability for a Domestic Violence Perpetrator Programme. The course will focus on 'do no harm' principles and aims to allay practitioners' fears about doing the 'wrong' thing, whilst focusing on keeping victim safety at the heart of all our practice.	
Training Pre-requisites	Participants should have a basic knowledge of DV and have at least attended basic DV training. Participants should NOT attend this course and the Intro to Working with DV Perpetrators training. This course is ONLY suitable for practitioners who will come into direct contact with perpetrators in their daily work such as social workers, probation officers, family support workers etc.	
To be held	Wednesday 25 th April 2018	CITY
	Monday 16 th May 2018	COUNTY
	Wednesday 25 th July 2018	CITY
	Wednesday 24 th October 2018	RUTLAND
	Wednesday 23 rd January 2019	CITY
	Wednesday 13 th March 2019	CITY
Learning Outcomes	Participants will be able to: <ul style="list-style-type: none"> • Increased understanding and skills in being able to safely talk to perpetrators about their abusive behaviour • Increased understanding about 'do no harm' principles and victim safety • Increased understanding on the suitability of perpetrators to attend a Domestic Violence Perpetrator Programme 	

Course Title	Understanding Dual Perpetration in Intimate Partner Relationships (1 day) DVDUALPERP	
Target participants	This full day course aims to increase participants understanding of the variations of violence and abuse in intimate partner relationships such as primary perpetration, dual perpetration, victims who use violence etc., in order that safe assessments of the nature of the dynamics within abusive relationships can be made. Participants will learn about the most appropriate interventions with couples and families that will decrease risk and increase safety.	
Training Pre-requisites	This course is only suitable for practitioners who have undergone prior domestic violence training and will, as part of their work, come into contact with families where domestic violence is a prevalent issue.	
To be held	Wednesday 5 th December 2018	CITY
	Wednesday 13 th February 2019	CITY
Learning Outcomes	<p>Participants will be able to:</p> <ul style="list-style-type: none"> • Increased understanding of the typologies of domestic violence including dual perpetration, situational couple violence, primary perpetration and victims who use violence and the application of these to case studies • Increased knowledge on how to safely talk to and assess clients where both parties are using violence. • Improved awareness of the dynamics in relationships where violence is used by both parties • Improved understanding of 'do no harm' principles in working with families where domestic violence is prevalent
